## ABOUT THE TRAINER

### KAMINI KAPUR

Kamini Kapur is an AMI Elementary Trainer who collaborates with multiple training centres in India and abroad to support adult learners. She currently serves as the Director of Training at JFA MTTC, Kolkata, and is Co-Director of the Elementary Diploma Course in VHMI, Chandigarh. She is also part of the pedagogical team at the Montessori Institute of Bangalore for its elementary training programme. In addition, she actively promotes Montessori principles and practices through orientation courses, workshops, consultation and mentorship programmes for Montessori schools, offering guidance and support to teachers in their practice. With over two decades of experience working with children, Kamini brings deep insights and commitment to adult training. Her professional contributions include serving as a National Examiner for AMI Elementary courses in both the UK and India. She has undertaken AMI training at Primary, Elementary, and Adolescent age level and holds a Master's degree in Sociology. Deeply committed to the environment, Kamini encourages sustainable living and hands-on engagement with nature, nurturing a sense of responsibility and appreciation for the environment in both children and adults.
